

## \*\*\*Back On Campus Beginning February 7th\*\*\*

January 22, 2021

Church Family,

This past week, I held a meeting with Rod Greenway (Deacon Chair), Cecelia Hewett (Personnel Chair), and Steve Johnston (finance chair) to discuss regathering on campus. Dr. Robert West, who has served faithfully as the head of our COVID-19 task force, shared his recommendations with me based on current information. Based on his input, prayer, and your elected representatives' support, we plan to regather for **ON CAMPUS WEEKEND SERVICES BEGINNING SUNDAY, FEBRUARY 7th.**

As you know, since March of last year, First Baptist has communicated using three colors that have guided our conversations regarding the Coronavirus and our church-wide times of on-campus gathering. Those colors are **Green, Yellow, and Red.** **Beginning February 1st, our church will move out of condition Red and into condition Yellow.**

Last Fall, our **"Maximum Options Plan"** was built around a Sunday morning schedule with two time options for Worship (9:30 am & 11:00 am) and the same two time options for Connection Groups (9:30 am & 11:00 am). This plan served us well and will stay in place as we regather in February. Just like last Fall, all options will continue to be available for you on **both the physical and digital campuses** as well.

So again, **February 7th is our target date to re-launch our Maximum Options Plan with two time options (9:30 am & 11:00 am) for both Worship and Connection Groups.** You will also hear about various mid-week activities meeting on campus in February. As your pastor, I love you, and I make all my decisions with your safety and best interest in mind. Please know that our ministry team is healthy, and we are ready when you are. I look forward to being back on campus together very soon!

Your Pastor,

Stephen
