

Welcome to First Baptist North Augusta!

Connection Groups are what you may know as Sunday School, Life Groups, or Home Groups. They meet on campus each Sunday at 9:15 am. Connection Groups meet on campus year-round and are open to both visitors and members of our church. Currently, there are over twenty adult Connection Groups offered and reach all age groups. The purpose of each group is to connect with other people and connect with the truth of the Bible. Also, these groups pray for each other, support each other, and grow in faith together. We have groups that have become very large (100+) and others that are smaller in size (8-10). Plus, new groups will start regularly throughout the year. We recommend you visit at least two or three before you make a decision on which Connection Group to join. If you are interested in visiting a Connection Group, let us know, and we will help you find one that is perfect for you!

CONNECTING AT FBCNA

Connection is important here at First Baptist Church of North Augusta. Our desire is to see families and individuals engage in furthering their relationship with God, themselves, and others. The three areas that make-up our Groups Ministry include Connection Groups, Discipleship Groups (D-Groups), and Term Groups. Each holds an individual purpose but all work towards the mutual goal of cultivating meaningful relationships. We believe that connection starts with YOU. As you share Jesus in your work setting and everyday life, remember to invite others to church. Families are looking for a place to belong, serve, and grow. Our church is the perfect place for imperfect people, and we are ready to celebrate as you take Next Steps at FBCNA and in your relationship with Christ.

LEARNING MORE

Our Groups Ministry and Next Steps tables are located in Hospitality Avenue. A team of staff members and volunteers are available to answer questions and provide detailed information about connection and serving opportunities at FBCNA.
