REVIEW: Jesus is fully God.

QUESTION: Can you tell the difference between an original and a copy?

THOUGHT: Nothing truly satisfies us like the real thing.

QUOTE: "Jesus is the 'True Light' - the original of which every other was a copy."

BIG IDEA: We have the right to choose the True Light.

Review: Jesus is fully God.

What we see from *SCRIPTURE*:

1. The True Light was made available.
- The witness demands a response.
2. The True Light was rejected.
3. The True Light was received by believers.

What does this mean *FOR US*:

1. Jesus, the True Light, IS available.
2. There will be many who reject Jesus, the True Light.
3. Those who believe, receive Jesus, the True Light.

HERE'S MY CHALLENGE: believe the True Light.

BIG IDEA: We have the right to choose the True Light.
